Annex-A Clause	Title Organisational Controls	Implemented	Corresponding Template
5.1	Policies for information security		Information Security Manual Section 5.2 Information Security Policy
5.2	Information security roles and responsibilities		Information Security Manual Annex A5.2 Information Security Manual Section 5.3 Document Register
5.3	Segregation of duties		Information Security Manual Section 5.3 (Roles and Responsibilities) Information Security Manual Annex A5.3
5.4	Management Responsibilities		Information Security Manual Annex A5.4 Compliance Register Policy Document Register
5.5	Contact with Authorities		Information Security Manual Annex A5.5 Emergency, Authority and Special Interest Contacts
5.6	Contact with special interest groups		Information Security Manual Annex A5.6 Emergency, Authority and Special Interest Contacts
5.7	Threat intelligence		Information Security Manual Annex A5.7
5.8	Information security in project management		Information Security Manual Annex A5.8 Checklist for Internal Projects Involving Third Parties
5.9	Inventory of information and other associated assets		Information Security Manual Annex A5.9 Risk Assessment Workbook
5.10	Acceptable use of information and other associated assets		Information Security Manual Annex A5.10 Acceptable Use Policy Email Policy Internet Usage Policy Public WiFi Policy Mobile and remote working policy Information Classification and Data Handling Policy
5.11	Return of Assets		Information Security Manual Annex A5.11 Exit Interview Procedure Risk Assessment Workbook (assets tab)
5.12	Classification Of Information		Information Security Manual Annex A5.12 Information Classification and Data Handling Policy
5.13	Labelling of Information		Information Security Manual Annex A5.13
5.14	Information Transfer		Information Security Manual Annex A5.14 Information Classification Data Handling Policy Email Policy
5.15	Access Control		Information Security Manual Annex A5.15 Access Control Policy Keys and Locking Up Procedure
5.16	Identity Management		Information Security Manual Annex A5.16 Exit Interview Procedure
5.17	Authentication information		Information Security Manual Annex A5.17 Password Policy
5.18	Access rights		Information Security Manual Annex A5.18
5.19	Information security in supplier relationships		Information Security Manual Annex A5.19 Information Security Policy for Third Party Relationships
5.20	Addressing information security within supplier agreements		Information Security Manual Annex A5.20 Information Security Procedure for Third Party Relationships Checklist for Internal Projects Involving Third Parties Risk Assessment Workbook
5.21	Managing information security in the ICT supply chain		Information Security Manual Annex A5.21
5.22	Monitoring, review and change management of supplier services		Information Security Manual Annex A5.22
5.23	Information security for use of cloud services		Information Security Manual Annex A5.23
5.24	Information security incident management planning and preparation		
5.25	Assessment and decision on information security events	-	Information Security Manual Annex A5.24
5.26	Response to information security incidents		Information Security Manual Annex A6.8 (informaton Security Event Reporting) Information Security Manual Annex A5.25-28
5.27	Learning from information security incidents		Security Report Log Incident Management Procedure Incident Response Procedure
5.28	Collection of evidence		
5.29	Information security during disruption		Information Security Manual Annex A5.29 Business Continuity Plan
5.30	ICT readiness for business continuity		Information Security Manual Annex A5.30 Information Security Manual Annex A8.14

			Information Security Manual Annex A5.31 Legislation document
5.31	Legal, statutory, regulatory and contractual requirements		Documentation Register Records of Processing
			Cryptographic Controls Policy
5.32	Intellectual property rights		Information Security Manual Annex A5.32
5.33	Protection of records		Information Security Manual Annex A5.33
			Information Security Manual Annex A5.34
5.34	Privacy and protection of PII		Documentation Register Records of Processing
5.35	Independent review of information security		Information Security Manual Annex A5.35
5.36	Compliance with policies, rules and standards for information security		Information Security Manual Annex A5.36
5.37	Documented operating procedures		Information Security Manual Annex A5.37 Documentation Register
6	People Controls		
6.1	Screening		Information Security Manual Annex A6.1 Employment Procedure
6.2	Terms and conditions of employment		Information Security Manual Annex A6.2
			Information Security Manual Section 7.3 (Awareness) Information Security Manual Annex A6.3
6.3	Information security awareness, education and training		Compliance Register Policy
	,		Social Engineering Policy Acceptable Use of Assets
			Data Classification and Handling Policy
6.4	Disciplinary process		Information Security Manual Annex A6.4 Disciplinary Procedure
6.5	Responsibilities after termination or change of employment		Information Security Manual Annex A6.5 Exit Interview Procedure
6.6	Confidentiality or non-disclosure agreements		Information Security Manual Annex A6.6 Risk Assessment Workbook
6.7	Remote working		Information Security Manual Annex A6.7 Mobile and remote working policy
6.8	Information security event reporting		Information Security Manual Annex A5.3 (Roles and Responsibilities) Information Security Manual Annex A5.5 (Contact with Authorities) Emergency, Authority and Special Interest Contacts Information Security Manual Annex A6.8
7	Physical Controls		mornation security mandary mick holo
7.1	Physical security perimeters		Information Security Manual Annex A7.1
7.2	Physical entry		information Security Manual Annex A7.2 Keys and Locking Up Procedure
7.3	Securing offices, rooms and facilities		Information Security Manual Annex A7.3
7.4	Physical security monitoring		Keys and Locking Up Procedure Information Security Manual Annex A7.4
	,		
7.5	Protecting against physical and environmental threats		Information Security Manual Annex A7.5
7.6	Working in secure areas		Information Security Manual Annex A7.6
7.7	Clear desk and clear screen		Information Security Manual Annex A7.7 Clear Desk Policy Mobile and remote working policy
7.8	Equipment siting and protection		Information Security Manual Annex A7.8
			Keys and Locking Up Procedure Information Security Manual Annex A7.9
7.9	Security of assets off-premises		Information Classifications and Handling Policy Mobile and remote working policy
		1	Acceptable Use Policy Information Security Manual Annex A7.10
7.10	Storage media		Risk Assessment Workbook
			Information Classification and Data Handling Policy Disposal and Destruction Policy
7.11	Supporting utilities		Information Security Manual Annex A7.11
7.12	Cabling security		Information Security Manual Annex A7.12
7.13	Equipment maintenance		Information Security Manual Annex A7.13 Mobile and remote working policy (describes how users should maintain equipment adequately)
7.14	Secure disposal or re-use of equipment		Information Security Manual Annex A7.14 Commissioning and Re-Use Procedure
